Upcoming Connect Call: Compliance Tips for Inclement Weather

When the weather outside is frightful, going outside to smoke is not so delightful for public housing residents. On this month's Connect Call, we will discuss some tips to improve compliance and enforcement, especially in cold weather climates. Plus, we are taking your feedback on future topics for discussion, resources needed, and other ideas.

We hope you will join us on **December 19, 12:30-1:30 ET.**

What is a Connect Call? A Connect Call is a monthly live discussion and Q&A on HUD's smoke-free public housing rule hosted by Clean Air for All. Get answers to your questions about the rule, resident engagement, cessation resources, compliance, and enforcement. Connect Calls are intended for PHA staff, resident services, and resident leaders. Public health advocates are welcome.
