

CLEAN AIR FOR ALL

THE SMOKE-FREE PUBLIC HOUSING PROJECT

January 13, 2020

Upcoming Connect Call: Thirdhand Smoke in Public Housing

Even though public housing is now smoke free, public housing buildings and residents may still be affected by thirdhand smoke. On this month's Connect Call we will explain what thirdhand smoke is and highlight what public housing agencies should know about it, including health impacts and tips for cleaning up a smoky unit.

We hope you will join us on **January 16, 12:30-1:30 ET.**

What is a Connect Call? A Connect Call is a monthly live discussion and Q&A on HUD's smoke-free public housing rule hosted by Clean Air for All. Get answers to your questions about the rule, resident engagement, cessation resources, compliance, and enforcement. Connect Calls are intended for PHA staff, resident services, and resident leaders. Public health advocates are welcome.
