Webinar: Smoke-Free Public Housing: Looking Back, Looking Forward

February 27, 2020, 12:30-1:30 ET

As the Clean Air for All team wraps up a second year of smoke-free public housing support, we take a look back at **lessons learned** and **success stories** from public housing agencies across the country. Then we'll look to the future of smoke-free housing by addressing the changing landscape of **e-cigarette and marijuana regulations** on clean indoor air laws, how **RAD conversions** impact smoke-free housing, and tips for **maintaining a smoke-free policy** for years to come. We are

pleased to be joined by speakers from Live Smoke Free, NAHRO, the Public Health Law Center, and the Bayonne Housing Authority.
