

CLEAN AIR FOR ALL

THE SMOKE-FREE PUBLIC HOUSING PROJECT

March 18, 2020

Dear Clean Air for All Partners,

We have all recently found ourselves in a new reality due to the COVID-19 pandemic. First and foremost, Clean Air for All sends healthy and safe wishes to you and your communities.

We want you to know that we are still here to provide smoke-free housing support to PHAs, residents, and resident service providers. Now more than ever it is important that every American has healthy and safe housing. We encourage PHAs to show flexibility and compassion to residents who are struggling to comply with the smoke-free policy during this stressful time.

Please do not hesitate to contact us for smoke-free housing assistance.

Yours in Health,

-The Clean Air for All Team
