

CLEAN AIR FOR ALL

THE SMOKE-FREE PUBLIC HOUSING PROJECT

November 7, 2019

Tips for Compliance: Winter Weather Edition

Winter is coming and that means public housing residents in northern climates who smoke will be braving the elements to comply with the smoke-free rule. Here are some ways public housing agencies can make wintertime compliance easier for residents.

Make sure that designated smoking areas are consistently and promptly cleared of ice and snow.

Consider ways to help shelter residents from wind, rain, and snow.

Remind residents of the free services available to help them quit or cut back on smoking. Display this [poster](#) next to exits.
